

Plants of Westcave Preserve, Travis County, Texas
May 2012 Edition

The original plant list for Westcave Preserve was compiled in 1992 by Marshall C. Johnston, David Lemke, Margaret Campbell, John Gee, and John Ahrens. Additions were made during a BioBlitz in October 2010, when contributors included Terri Siegenthaler, Kirsti Harms, Bob Harms, Sirpa Harms, John Chenoweth, Laura Hansen and Nan Hampton; during another BioBlitz on 30 April 2011 [contributors?]; and during a survey of the annex by Bill Carr and Terri Siegenthaler on 27 April 2012. Codes in nativity column: E = exotic, i.e., not native to Texas; N = native to Texas; N+ = endemic to Texas. Codes in Form column: A = aquatic (submersed or submersed/emersed); FA = annual forb; FAV = annual forb vine; FB = biennial forb; FP = perennial forb; FPV = perennial forb vine; GA = annual grass or grasslike plant; GP = perennial grass or grasslike plant; PP = perennial fern or fern ally; S = shrub; T = tree; WV = woody vine.
